

Thank you for choosing **IdenTrust** as your ECA Certificate vendor!

These instructions are for **ECA Medium Hardware** certificates

****NOTE**** Most programs allow the Medium Token certificate be used as well as the Medium Hardware certificate. The Medium Token certificate's Part 2 form can be signed by a notary which will reduce the amount of time spent completing the forms. Check if you can use the Medium Token certificate instead.

The forms packet for the ECA certificate is used to gather ID-specific details, necessary for the processing and ultimate approval of your certificate request. It is also used to obtain approval from your company to receive the certificate.

These details are recorded on the Part 1 and Part 2 forms. You were provided a forms packet at the end of the online registration. If you no longer have it, you can find a blank copy here:

<https://secure.identrust.com/certificates/policy/eca/eca-id-form.pdf>
